DEAR DONORS AND FRIENDS,

I would like to introduce myself as the new Executive Director of the Brophy Community Foundation. As a Brophy graduate, I am honored by the opportunity to lead such a mission driven organization. In my short time with the Brophy Community Foundation, I have witnessed the remarkable impact that your tax credit dollars are having, not only with Brophy and Loyola Academy students, but thousands of other students attending private schools across our state.

During these unprecedented times, the Brophy Community Foundation is appreciative of the unwavering support from the corporations and individuals listed in the back of the booklet. Without your generosity and commitment our work would not be possible. We sincerely thank you for your contribution to the organization and the students we serve.

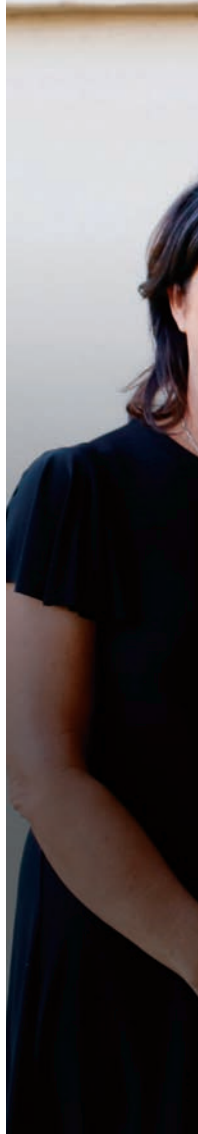

As our communities fight through this global pandemic, the Brophy Community Foundation remains committed to its mission of providing those students with verified financial need the funds to receive a private school education. This will ensure that your tax credit donations are going to families that otherwise could not afford to send their child to a private school.

Please accept our sincere gratitude for your decision to provide ongoing support of the Brophy Community Foundation.

Sincerely,

NICK SHIMON

Executive Director
Brophy Community Foundation

A MESSAGE FROM THE BROPHY COMMUNITY FOUNDATION TEAM

The team would like to take a moment to recognize and thank those individuals who were instrumental in the growth and development of the Brophy Community Foundation. Over twenty years ago, a group led by Dawn Kennedy created this exceptional organization. As a result of Dawn's dedication to the vision and mission, the Brophy Community Foundation has grown to be an exemplar model for student tuition organizations (STOs) across Arizona.

The organization continued to reach new heights with the added leadership of Genny Matteucci and Kait Williams. Their impact was evidenced in the growth of corporate and individual tax dollar donations received during their tenures. The increased donations have allowed for a steady escalation in the number of students awarded with tuition assistance on an annual basis. Under the leadership of Dawn, Genny, and Kait the organization experienced close to 60% growth, or \$3

million dollars, in student scholarships awarded over the past three years. The organization was able to support an additional 670 students with verified financial need during this same time period.

In addition, the Brophy Community Foundation team would like to recognize the following individuals for time and service: Joe Helm, Stephanie Stefani, Sue Casaway, Matt Nieto, and Erin Mata.

All of the individuals mentioned above deserve recognition for their commitment to making a difference in our communities. The current team of Nick Shimon, Carol Brown, and Heather Chapman thank you for your contributions and are eager to carry forward the mission of the Brophy Community Foundation.

Thank you

What a huge blessing the Brophy Community Foundation has been to many of our OLMC families! Your scholarships have made it possible for many of our families to send their students to a school of their choice. I know these hard working families quite well and know how difficult their financial situations are for a variety of reasons. Some are single household incomes, some have 4+ children, some have foster children and some have adopted children. There are families where grandparents are raising the children, families that have been torn apart by substance abuse and families that have recently lost a parent. All the recipients of your scholarships are extremely grateful. Some have contacted me in tears after receiving their award letters, expressing amazement that someone cares as much about their children and they do.

It has been very rewarding for me to be a part of this process and to witness the happiness of the students as they join our school family. Thank you for making such a tremendous difference in the lives of our students, their families, and communities. Thank you for all of your hard work procuring the funding that makes these scholarships possible. You are investing in the future, one scholarship at a time. God bless you!

Blessings,
Rita F. Villegas Finance/HR
Our Lady of Mount Carmel

As a former work study student at Brophy in the 90's, I can personally relate to tuition support organizations such as the Brophy Community Foundation. I was blessed with the opportunity to attend Brophy as a result of the financial support my mother received. I am now fortunate enough to work with many of the same students each year. I see the Brophy Community Foundation as this force for good in our community. The foundation is able to help students with tuition assistance, positively impacting their lives, and these students grow up to enrich our community, ensuring that the future of our city and state is perpetually bright and filled with hope.

Dr. Steve Smith '96
English Teacher

I fundamentally believe that a Loyola/Brophy education is life-changing. It's a path to college, sure, but it's also an education that teaches them to value themselves and their communities and to live in service of others. And none of our boys, not one, would have this opportunity without the Brophy Community Foundation and all of its supporters.

Assistant Principal for Faculty
Development and Director of Loyola
Academy

TESTIMONIAL

The Brophy Community Foundation is a group dedicated to helping students achieve success in the rigorous curriculum of a private school education through financial aid. Finances were a significant determination for my family when it came to deciding between private or public school. The tuition assistance I received from the foundation allowed me the opportunity to attend Brophy the past four years. I would not be where I am today without the help of the Brophy Community Foundation and all the donors who have helped provide opportunities to students like myself. I would like to thank all those who support the Brophy Community Foundation. Your tax credit dollars are providing invaluable opportunities to students across the state of Arizona

Brylee, Ss. Simon and Jude student

Throughout my time at Brophy, there have been numerous instances where I still am in awe that I attend such an amazing high school. From the immersion trips that I've been able to attend, to the in-class experience of engaging in meaningful dialogue with peers on philosophy to United States history, every day is a privilege. With your generosity, I've been able to pursue my aspirations of planning to attend institutions of higher education along with discovering my vocation in life. As a recipient of financial aid through the Brophy Community Foundation, I am forever indebted to you and your families for your support.

Dear Brophy College Preparatory,

I want to thank the Brophy Community Foundation for providing me with the opportunity to attend Brophy the past four years. You not only help me receive a quality education but establish new friendships that will last a lifetime. The campus is truly an incredible place that is welcoming to all who attend.

I would also like to thank every single member of the Brophy faculty and staff personally. I will forever be grateful for the experience.
