PROCESS FOR CORPORATE TAX CREDIT CONTRIBUTION

The Corporation notifies BCF of its' interest in making a corporate tax credit contribution.

The Corporation completes and submits back to BCF the [Corporate Tax Credit Form](#).

On behalf of the Corporation, Brophy Community Foundation prepares the application for tax credit and submits it to the AZ Department of Revenue (ADOR) for approval (applications should be prepared prior to June 30th to be ready for submission on July 1 when the new annual statewide credit cap opens.)

If the donation is approved by ADOR, BCF will notify the corporation immediately. The corporation will have 20 days from the date of approval to remit payment to BCF.

After receipt of payment, BCF will provide a letter of acknowledgment along with copies of the ADOR application and approval for the corporation's records.

The Corporation claims the dollar-for-dollar tax credit against its' Arizona state tax liability.

WHY BROPHY COMMUNITY FOUNDATION

Brophy Community Foundation is an independent nonprofit school tuition organization (STO) registered through the State of Arizona. Established in 1998, the organization is one of the oldest and mostly highly regarded STOs in our state based on the following best practices:

- + Awards based solely on verified financial need
- + Low operating costs; average 5% - half of the legislated 10% allowance
- + Over 90% funding awarded to low income and working poor families
- + Donor designating/naming students never permitted

“Two pillars of AT&T’s corporate values are to “stand for equality” and “make a difference”. By proudly partnering with Brophy Community Foundation, we stand for equal access to a quality education for Arizona K-12 students with financial need. Socioeconomic status should not be the determining factor to an excellent education. By supporting the Brophy Community Foundation through AT&T’s tax credit donations, together we can make an enduring difference creating educational opportunities for our next generation of leaders.”

Toni M. Broberg
President,
AT&T Arizona and
New Mexico

The Chubb Charitable Foundation’s support for educational programs helps to open doors of opportunity for children to reach their full potential. We proudly support Brophy Community Foundation (BCF) as they continue their mission of ensuring Arizona students have access to quality private school education, regardless of socioeconomic status. Our educational philanthropy is one of the tangible ways we advance our commitment to support racial diversity and inclusion in the broader community, our industry and our own workforce. BCF demonstrates a clear dedication to building a stronger community through providing critical tuition to families and students in financial need. Through our partnership, Chubb is able to help open new pathways for Arizona students and have a positive impact on the broader community.

Belinda Luna
Vice President, Phoenix Branch Manager

"As a Brophy parent and lifelong advocate for strong education, the Brophy Community Foundation offers the critical resources to bridge the financial gap for so many exceptional youth. The end result is a life changing opportunity not only for the students, but the generations to follow."
