

BROPHY COMMUNITY
FOUNDATION | Student Tuition through Tax Credits

ANNUAL REPORT 2024-2025

In Loving Memory of Edward A. Reese, S.J.
1942 — 2025

July 1, 2024 - June 30, 2025

Left to Right: Heather Chapman, Dawn Kennedy, Laura Walsh Giesecke

I want to express my gratitude to the Brophy Community Foundation tax credit contributors. By redirecting your tax liability, you make a transformative impact on our school. It's an easy, no-cost way to support Brophy and Loyola Academy students with critical tuition aid.

This support goes far beyond providing access to education — it changes the

trajectory of students' lives. I see the fruits of your generosity every day in the alumni I meet: Men for Others whose futures were opened because of this opportunity. The impact extends beyond the classroom, empowering entire families, as success for one child often opens doors for younger siblings. We encourage all businesses and individuals to participate in this tax credit program. Thank you for supporting the Brophy Community Foundation. Together we shape brighter futures.

Bob Ryan,
President of Brophy College Preparatory

Dear Donors and Friends,

The Brophy Community Foundation (BCF) was founded in 1999, and Father Eddie Reese, then-president of Brophy, hired me to serve as its Executive Director. He remained active in BCF until he was reassigned to St. Ignatius Prep in San Francisco as their new president in 2016. Our community mourned his passing last August as he left an indelible legacy with his unwavering commitment and steadfast focus on those in need.

His commitment wasn't just theoretical; it was the foundation of every decision made by BCF. Although Arizona law allows individual tax credit donors to recommend specific students (not dependents) for tuition aid, Father Reese held a firm line. BCF would never accept donor recommendations; instead, every single tax credit contribution would be distributed to students based solely on verified need.

This annual report highlights a few of the remarkable BCF interns who received tax credit tuition aid and the impact it had on their education and future. They are studying at institutions including Barrett, The Honors College at ASU, MIT, and Tufts, and represent hundreds more whose lives have been transformed through your generosity. These young men carry with them not just degrees and career prospects, but a deep understanding of what it means to be supported, believed in, invested in, and trusted with opportunity.

To this day, our BCF Jesuit mission remains the same. When potential donors inquire about recommending a student, we explain that our core purpose, our "true north," is to make a private school education accessible to all qualified students, regardless of their ability to pay tuition. Father Reese's steadfast legacy has ingrained in us the paramount importance of staying true to the BCF mission, especially when faced with pressures to compromise. It's a powerful lesson that continues to guide the work of the Brophy Community Foundation today.

With gratitude,

Dawn Kennedy

Parent TESTIMONIALS

"We are so thankful and feel beyond blessed to have tuition aid from organizations like the Brophy Community Foundation."

BCF has helped my son for about four years. The great opportunity they provide us —making it possible to give our kids a Catholic education—is amazing.

Our school makes it so easy for us to apply, and they know very well what Brophy has to offer. I feel very comfortable and safe applying for aid. Thank you for everything, Brophy Community Foundation."

Perla Espinoza (Mom)
Carmelo Valenzuela (Son)
Our Lady of Perpetual Help School - Glendale

"It's a blessing to receive financial aid from the Brophy Community Foundation and watch my daughter grow and recite the prayers. It means the world to me."

Paisley D.
St. Thomas the Apostle

The Brophy Community Foundation has been a blessing to our family. Their generosity has allowed us to provide a Catholic education to our son. Without their help, it would not have been possible."

Everado R.
St. Francis Xavier

"I would like to sincerely thank everyone at Brophy Community Foundation for helping my daughter with the finances to attend St. Thomas the Apostle School. We really appreciate your help. My daughter loves her school and is doing excellent. She received straight A's on her report card and she is on the Principal's List. My daughter would not be going to St. Thomas without your help. Thank you."

Sincerely, Scott Siwinski

From Grateful Recipients to Powerful Advocates

THE BCF INTERNSHIP PROGRAM

In 2022, BCF established an internship program for students who have benefited from the funding provided by donors. What began as a way to give back and show gratitude has grown into a transformative professional development opportunity for both juniors and seniors attending Brophy College Preparatory.

The program expands each year, with more students eager to learn professional skills while giving back to an organization that supported them through high school and, for many, middle school as well. The greatest reward

is seeing these students succeed in their post-high school careers, still expressing gratitude, committed to paying it forward, and applying their learned skills in new environments.

These students make a significant impact on our donor interactions, the bottom line of fundraising, and serve as powerful advocates for Brophy Community Foundation's mission.

Impact in Their Own Words

Roman Herrera

Ira Fulton School of Engineering at Arizona State University | Mechanical Engineering

BCF Intern: 2023-2024

Previously attended: Ss. Simon and Jude Catholic School, Brophy College Preparatory

“Thank you for providing financial support to chase dreams that would not have been possible without your help. This past summer, I was fortunate enough to travel to rural Kenya, Africa, to help underdeveloped school districts with managing and filtering water sources. Now, I am excited to use my engineering skills to provide sustainable water sources and output to more school districts this upcoming summer. BCF helped me by reminding me of how others stepped in to help me. Now, I can use my education to help those globally.”

Skills Applied: Through BCF, I was able to work on my networking and public speaking skills. Using these skills, I am now leading a new group of students who are as excited as I am to help GUU Secondary School in Kenya!

Erik Alvarado

Barrett, the Honors College at Arizona State University | Construction Management

BCF Intern: 2022-2023

Previously attended: Loyola Academy, Brophy College Preparatory

“Thank you! I wouldn't be where I am without Brophy, without your help. I try to help and mentor anyone who isn't as knowledgeable as I am in a certain area, whether it be peers or other generations. I often work with trades on construction sites, and expressing my ideas and communicating is vital. What I learned at BCF continues to help me.”

Favorite BCF Moment: I really enjoyed networking at the Christmas Tree reveal event. At the time, networking was a very daunting concept, but it quickly felt easier. It was pleasant to talk and converse in a professional setting.

Michael Gonzales

Tufts University | Computer Science & Economics, minor in Entrepreneurship or Business Management

BCF Intern: 2024-2025

Previously attended: Sunland Elementary School, Brophy College Preparatory

“Thank you; without you, I wouldn't have had education or guidance in attending college. I could have gone down a very dark path if it weren't for you allowing me to be educated at Brophy College Preparatory. Through the high school education I received, I am the first one in my family to attend college.”

Favorite BCF Moment: Something that really stood out to me was the Tree Lighting event. I was able to become vulnerable and speak about something personal in front of hundreds of people. I am proud of this moment because it allowed me to come out of my shell a little more, and it demonstrated how committed I was to helping those students who are just like me.

Minh Luu

University of Southern California | Human Biology (Pre-PA)

BCF Intern: 2023-2024

Previously attended: St. Jerome Catholic School, Brophy College Preparatory

“By attending Brophy, I was equipped with the necessary resources to achieve monumental academic and personal accomplishments. The academic rigor, connections, brotherhood, and Jesuit principles have shaped me into the young man that I am. Brophy's commitment to higher education has proved reliable, especially at a prestigious school such as USC. Thank you for providing the opportunity for continued education. With your generosity, I have been able to accomplish many feats, especially as a First-Generation college student.”

Why BCF: I enjoyed being able to share my story via blogs and share how generous donors have impacted my life, let alone thousands of other students.

Adrian Yordanov

Massachusetts Institute of Technology | Mechanical Engineering

BCF Intern: 2022-2023

Previously attended: BASIS Phoenix Central, Brophy College Preparatory

“Attending Brophy gave me the opportunity to grow academically by allowing me to attend all of the classes I wanted to prepare me for college, and helped me grow as a person through the religion classes and relationships that were forged on campus.”

Note to Donors: Thank you for setting me up with a great foundation on which I can build my life.

BROPHY COLLEGE PREPARATORY FRONT LAWN

Giving Deadlines And Guidelines 2025 Tax Year

INDIVIDUAL TAX CREDITS:

- **\$3062:** maximum combined AZ tax credits for a married filer.
- **\$1535:** maximum combined AZ tax credits for a single filer.
- The **2025 Individual Donor** deadline is **April 15th, 2026**

CORPORATE TAX CREDITS:

- “C” and “S” corporations with an Arizona income tax liability and insurance companies that pay Arizona premium tax can redirect their tax liability to Brophy Community Foundation (a certified school tuition organization) and receive a **100% dollar-for-dollar** Arizona income or premium tax credit.
- **Fiscal Year 2026 tax credits are still available!**

Scan for more information about giving opportunities.

Disclaimer: The Brophy Community Foundation has NEVER accepted donor designated contributions. Arizona law now requires all school tuition organizations to print the following notice on all printed material and websites: A school tuition organization cannot award, restrict or reserve scholarships solely on the basis of donor recommendation. A taxpayer may not claim a tax credit if the taxpayer agrees to swap donations with another taxpayer to benefit either taxpayer's own dependent.
